

IT'S SPRING AND TIME TO BE CREATIVE!

Come join artist, **Kathy Flament**, in creating prints using ink or paint, and watercolor pencils.

Kathy will teach you how to transfer an image onto soft foam, carve that image using only a sharp pencil, apply color, create the print in one or successive applications of color and then add finishing touches.

Think big, small, or really big. You can print on paper of any size or repeat prints onto yards of fabric. Think of prints on white paper or bold goldenrod or soft pastels or even special metallic paper.

Once you learn the easy skill of printing, the sky is wide open for you to print at home.

Kathy will bring carving foam, paint and paper; you are invited to bring your own supplies if you like. If you decide to print on fabric, you'll need fabric paint. If you have any acrylic paint on hand bring that with you.

Space is limited so register early! Registration deadline is **Thursday, June 13th**
